

## Government Processes Committee Mission Statement

Our mission is to protect and improve the democratic process.

We are advocates for respectful discussion. We are concerned about the great divisions amongst us and how to heal them.

We are advocates for free & fair elections by an engaged electorate. Some of our issues:

- fair districts / interstate vote compact
- alternate voting methods e.g. ranked choice voting
- voter rights & education
- clean campaigns
- addressing the corrupting influence of money in politics through transparency laws and other campaign finance reform

We are concerned about government process. We believe in

- fact-based decision making
- high ethical standards
- the balance of powers
