

IMMIGRATION REPORT
5/20/17

Our committee has met monthly since organization, total of 4 meetings.

We have 32 members, with 8-12 active members.

We attempted two CTA's for bills in the state legislature. We had problems with the required format, and communications that didn't make it to the calendar in time.

One, HB 281, passed in the House, assigned to the Transportation committee in the Senate and was killed.

Danny Quinlan from Companeros presented: Immigration 101 on April 28th with ~ 30 people attending.

We will coordinate with Center for SW Studies and Companeros showing the documentary film Harvest of Empire by Juan Gonzales. It's a history of US relations with countries of the Caribbean. June 29th, @ 4 p.m.
